Questions

Did the courses you take align with your Learning Agreement? Please explain.

How would you evaluate the content and academic level of the courses?

How did these courses contribute to your knowledge of economics?

How would you evaluate the teaching methods (lectures, assignments, exams, etc.)?

How compatible were these courses with your home university's curriculum?

Did you face any challenges related to your courses? If so, please explain.

What are your general comments or suggestions regarding the courses?

Thank you for your feedback.
